

## **Billing & Insurance**

Thank you for choosing Intermountain Health Gastroenterology Center-McKay Dee for your procedure. We strive to make your experience a pleasant and efficient one.

With that in mind, we would like to inform all our patients of their financial obligations before the procedure, so there are no surprises and/or misunderstandings.

The Intermountain Health Gastroenterology Center collects any co-payments, unmet deductibles, and co-insurance amounts on the day of procedure. If you have any questions or concerns, please feel free to call our office at 385-732-1904.

Please note that the co-insurance amounts collected are an estimate; your total financial obligation will be determined by your insurance company and will appear in the explanation of benefits (EOB). If our estimated amount is less, we will bill you for the difference. If our estimated amount is more, we will refund you the difference.

We encourage you to also contact your provider, anesthesia group, and your insurance company if you have any questions about your financial obligations. In addition, please ensure your authorization/pre-certification for your procedure is on file before the procedure.

Checks should be made payable to Intermountain Health Gastroenterology Center-McKay Dee. We accept checks, Visa, and Mastercard. We will leave a message on your home phone to make sure you have this information.
