

WHAT WE ARE:	We are an outpatient Gastroenterology and procedural facility licensed in the State of Utah.
WHO WE ARE:	We are partially owned by physicians who desire to provide a safe and comfortable medical facility that would provide efficient and effective services to patients.
YOUR RIGHTS AS A PATIENT:	You have the right to choose the provider and the facility for your health care services. You will not be treated differently by your physician if you obtain health care services at another facility.
YOUR CHOICE:	Your physician may have an ownership interest in this facility. You have the right to know this, so if you want to know, please ask. Please discuss with your provider, your questions or concerns, if you may want to have your procedure at an alternative health care facility.
CREDENTIALS:	All of the physicians and anesthetists have been credentialed according to regulations and standards. Information is available upon request.
PATIENT GRIEVANCE:	If patients have complaints or concerns regarding care at our facility, they are encouraged to let the manager know. If further review is indicated, patients are urged to fill out a grievance form, which is available upon request at the front desk. Contact information for the Facility manager, the State, and Medicare is available below.
ADVANCE DIRECTIVES:	<p>If you have an advanced directive or living will and a medical emergency arises, a Gastroenterology center will transfer you to the closest hospital. A gastroenterology center will provide emergency care to stabilize the patient for transfer to a higher level of care. Please discuss with your physician if you have questions, or to have your procedure performed at a facility that will follow your advance directive for do not resuscitate.</p> <p>A hospital will make decisions about following any advanced directive or living will, or a request not to resuscitate, should your heart stop or if you should stop breathing. You have a right to have your living will or advance directive information present in our medical record and to be informed of the facility's policy before the procedure.</p> <p>State information and forms to prepare an advanced directive or living will.
