

Accessibility Statement for Surgery Partners

We are making every effort to ensure that the information available on the McKay-Dee Endoscopy ASC website is accessible to all. Our goal is to deliver a web experience that achieves “Level AA” conformance according to the [Web Content Accessibility Guidelines v2.1](#) (WCAG 2.1).

To ensure a seamless user experience for all our users, our current efforts are focused on delivering digital experiences that will work for all users under all circumstances. This is a journey we will forever be committed to, as we value each visitor that takes the time to visit our website.

We are aware of some areas on the website where we could improve accessibility. We appreciate you being patient with us as we get this Website up to the proper WCAG 2.1, AA standards.

Contact Us With Findings and Improvements

Should you have any issues with McKay Dee Endoscopy Center, please contact us and we will get back to you shortly to make sure your needs are served. It would be helpful if you could be as specific as possible when describing the information you seek or the problem you encountered. We will ensure that the proper steps are taken so that the problem is not encountered again in the future.
